The Age Of Aquarius

We are seeing many changes in our lives and in the world as we enter The Age of Aquarius, the era of youth and the era of human concern.

Students the world over are concerned with social problems, peace, poverty, pollution, and hunger. To understand these things and to remedy them is frustrating. Knowledge fosters understanding—knowledge of the sciences, humanities, and ourselves.

As we grow older and wiser, we experience life and its confusion, new experiences, friendships, competition, and success and failure. From all this we learn who we are and what we can contribute.

The Age of Aquarius will be exciting, stimulating and dangerous. Whether we make a brilliant new world or destroy what we have already made, the responsibility rests with the New Aquarians — OURSELVES.

Mr. Frank Leach

Whether making formal speeches, rewarding students for achievement or enjoying himself at school functions, Mr. Leach is a man for all occasions.

With the arrival of the Age of Aquarius, education has changed. Limestone High School has changed greatly to meet the needs of students and community.

The AMULET staff is pleased to dedicate the 1972 AMULET to the person responsible for making these changes, a man who has dedicated the last 19 years of his life to our school. He has survived the educational storms of budgets; problem parents, students, and teachers; and unfounded public criticism to make Limestone a fine school. In gratitude for his 37 years of service and leadership in education, we dedicate the 1972 AMULET to a former athlete, coach, and teacher, Superintendent Frank Leach.

The zodiac signs of the senior point to the future. This is the most anticipated year but yet comes with a little regret. The heavens demand the accomplishment of individual goals.

Among the highlights is Homecoming. This year the Senior class did an outstanding job on their skit, "Snow White and the Seven Dwarfs." Leading the royalty court were Queen Lynn Case and Attendants Jeanette Virgil and Coleen Keenan. The Senior float was dubbed "Jack and the Beanstalk."

Guiding the astrological path for the Seniors of '72 were President Kelly Van Laningham, Vice-President Kevin Tilton, Secretary Sandy Pomeroy, and Treasurer Rick Molek.

Faculty advisors were Mr. James Brockman, Miss Chris Brown, Mrs. Judy Sahlin, and Mr. Richard Skyles.

''Through the Eyes of a Child'' the L.C.H.S. student body viewed the 1971 homecoming activities. The traditional introductory assembly was held to introduce the nominees for royalty and on Tuesday voting took place. The Variety show on Wednesday began with the announcement of Queen Lynn Case and her attendants Jeanette Virgil, Coleen Keenan, Sue Weiman, Lisa Legaspi, and Kathy Diekhoff.

The bonfire Thursday night following the second variety show was the setting for the announcement that the juniors and seniors had tied in skit competition. The crowd cheered until that awaited moment when the football captains threw the effigy of a Richwoods Knight into the roaring flames.

On Friday morning the varsity football team and cheerleaders enjoyed their ''Breakfast of Champions.'' It was a great day for a parade and ours turned out very well.

That night the juniors were awarded for winning the float competition. Our mighty Rockets fought to the finish before falling to the Knights 39-28.

'All The Way Home'

On November 18 and 20 Limestone's dramatic department presented this year's fall play, "All The Way Home" written by Tad Mosel. It was directed by Mr. Alan C. Ragains and student director, Bernice Reader. The story related how the different characters reacted to the most expected death of all, the father, Jay Follet. Everyone is deeply upset, especially his wife, Mary, who finally realizes that she must keep going and help their son, Rufus, to grow up to be like his father.

Portraying Jay Follet was Randy Hartwig with Robin Wright as Mary. Rufus was played by Dicker Severns.

Tough Season for Varsity

The varsity squad had a disappointing season, winning only one game. That win came at Richwoods stadium over the Bergan Trojans.

The team had excellent potential. Radical changes were occurring. Limestone no longer relied exclusively on the up the middle runs. John Gruber's skill at sharp, quick passing enabled the offense to get rolling. Running back Mike Weld found holes in the opposing line. Neil Sullivan was outstanding as a runner and a receiver.

It is unfortunate that the Rockets had such a bad record. Poor attitude and low morale were the only factors causing defeat. The team could move the ball when spirit was high. State ranked Richwoods trembled under the pressure exerted by Limestone in a close, fiercely contested Homecoming battle.

Much was learned from this season. Improvements in the team and attitude of the student body will bring a winning team to Limestone.

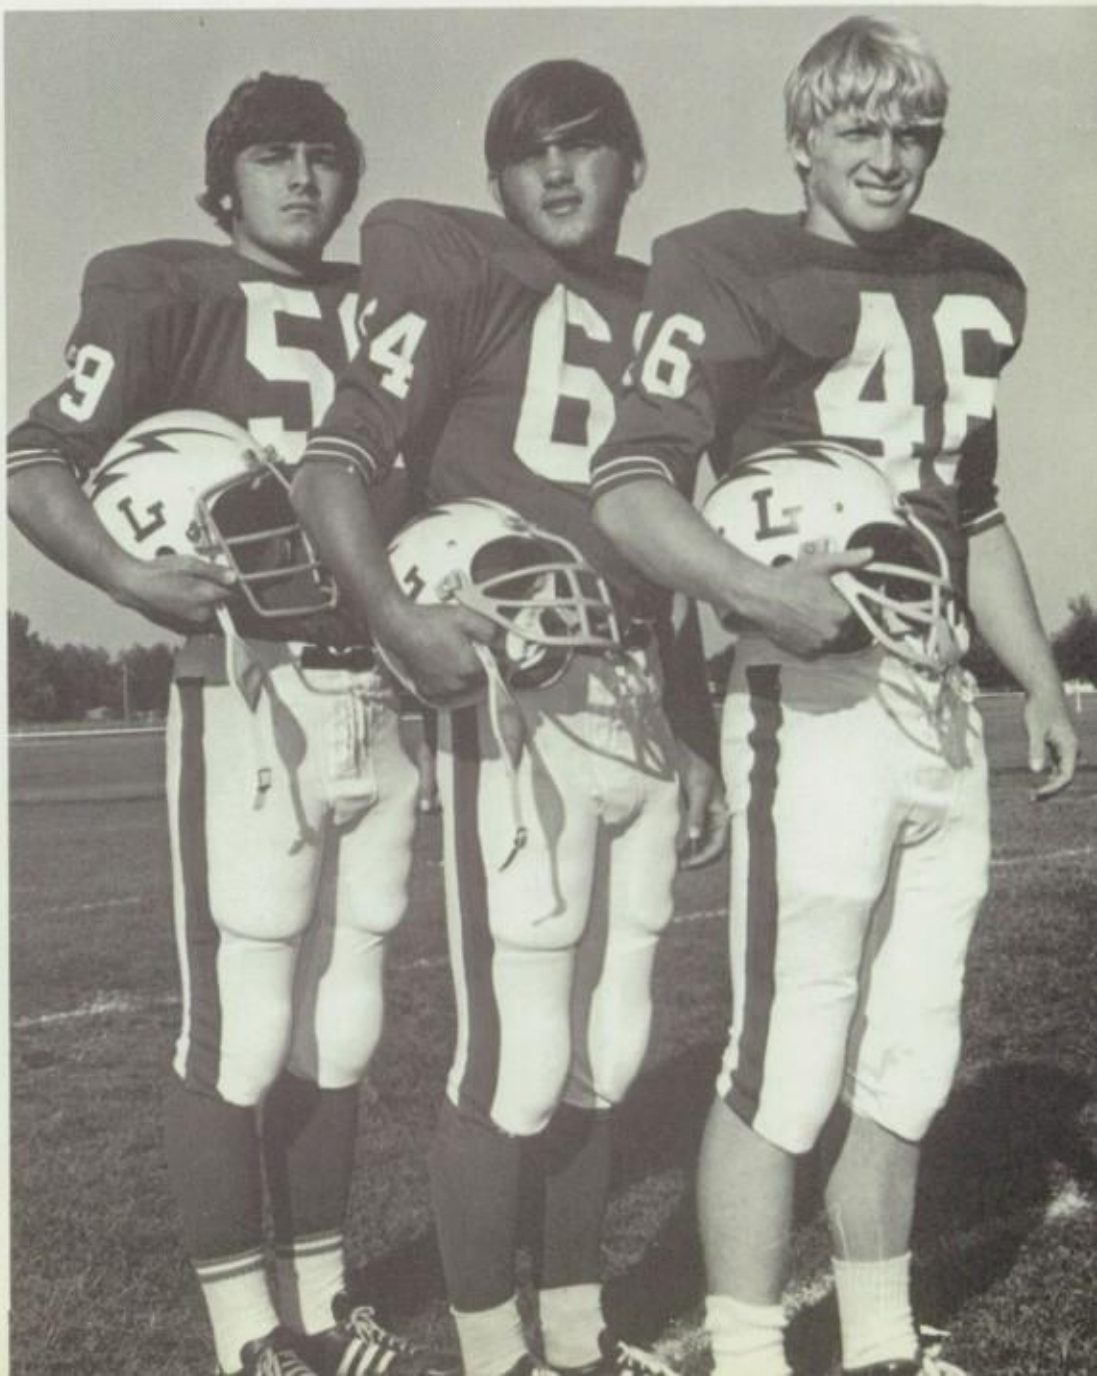
Neil Sullivan improves Limestone's running game.

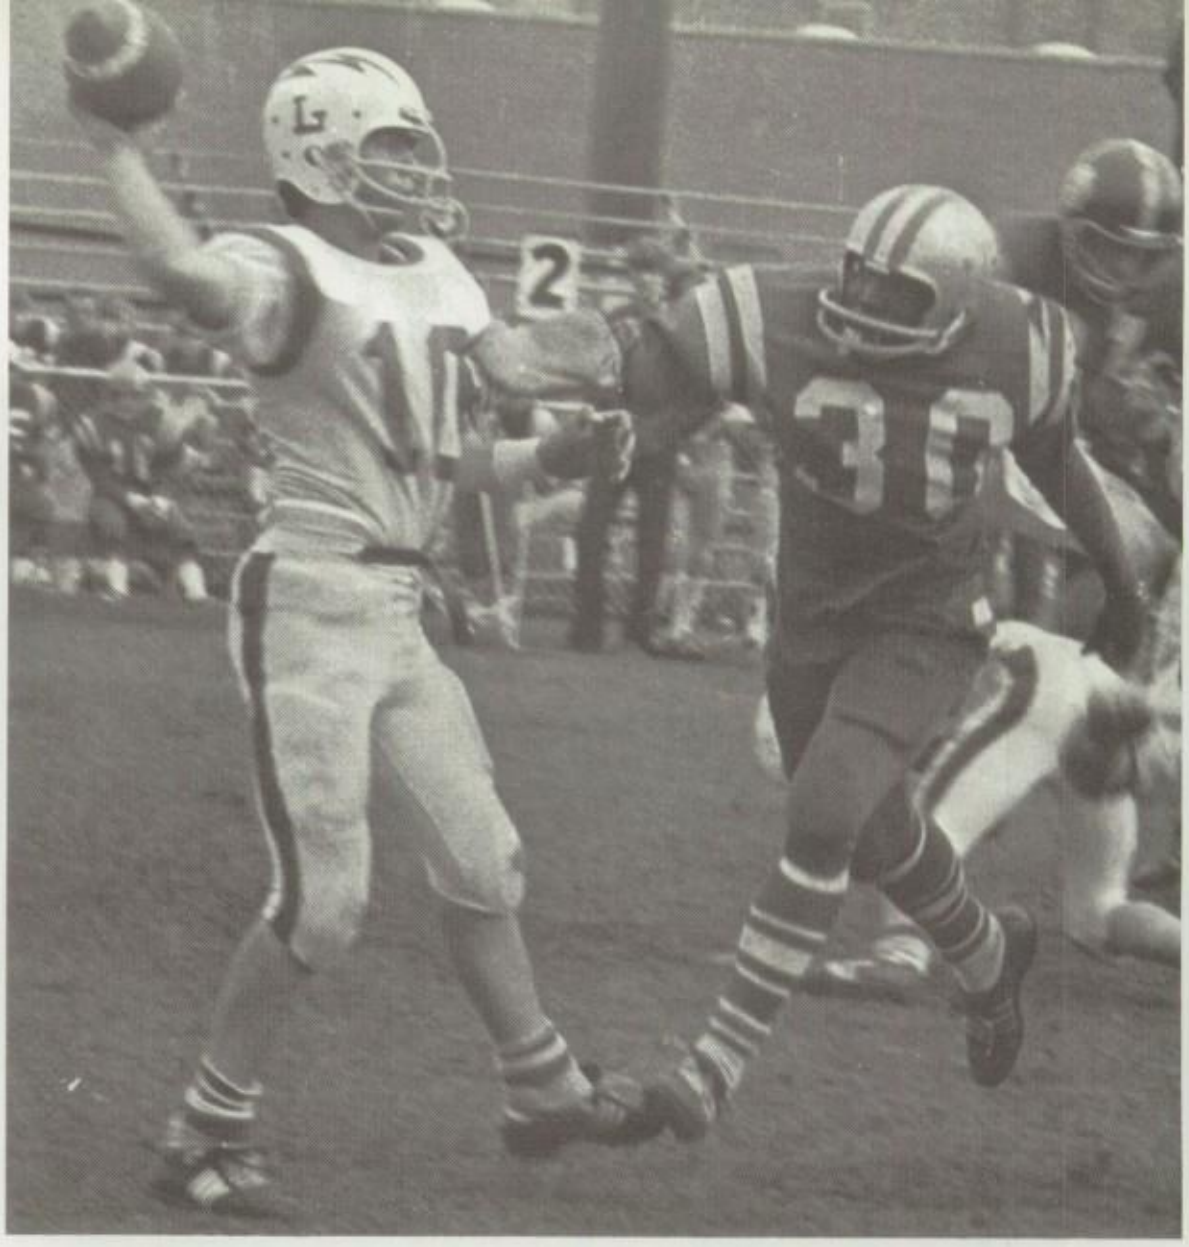
Tri-captains for the Rockets were Dave Humerickhouse, Charlie Padgett, and Rick Wieman.



The sophomore football team under the leadership of coaches Karl Gottleib and Bob Vilt finished the season with four wins, six losses, and one tie.

Behind quarterback Charlie Shempf and explosive runners Tim Clark and Dan Harkless the team won four in a row before suffering an 18-12 defeat at Pekin.

With continued improvements and watchful coaching the sophomores should become a valuable asset to the varsity squad.



Charlie Shempf gets off the pass in time.

Sophomores End Season 4-6-1

Determination is all that is needed to gain extra yardage.

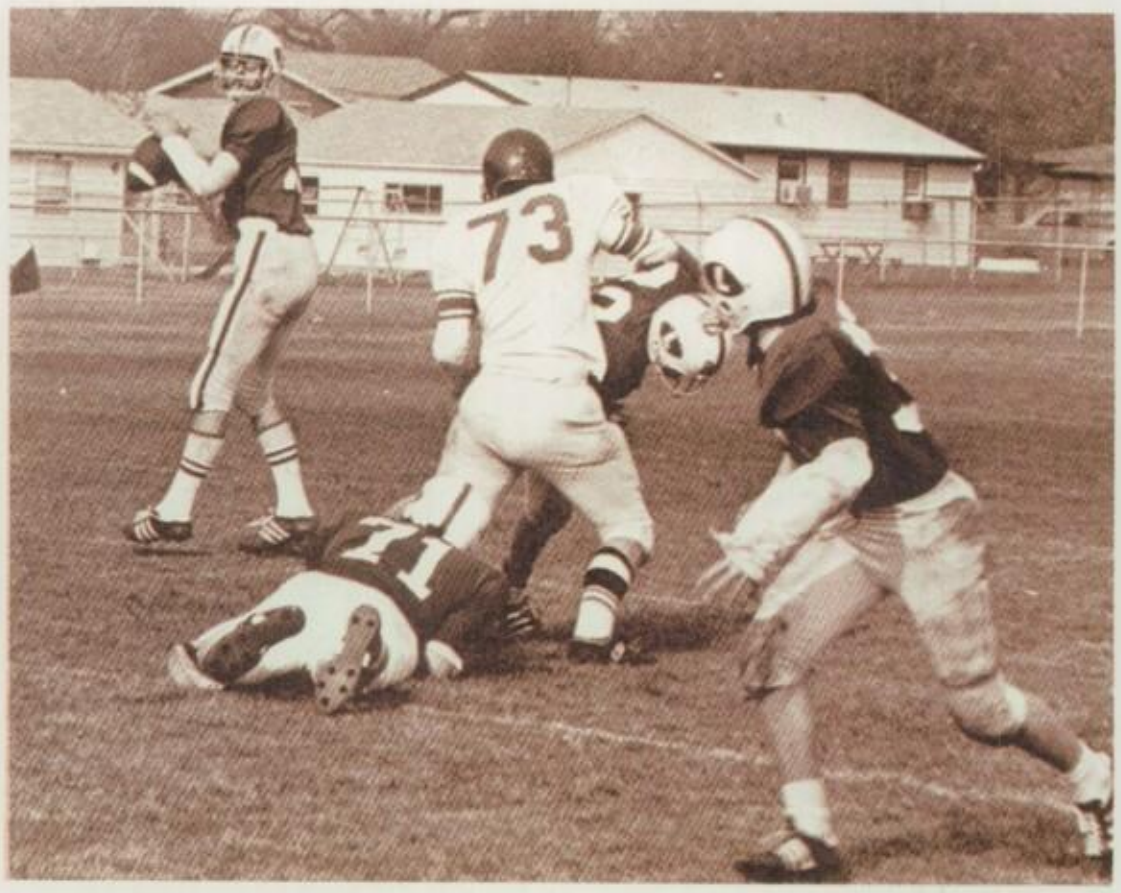
Quick fakes and superior running ability enables Tim Clark to elude defensive linemen.

Freshmen End Season 5-6

The freshman football team ended the season with a five wins and six losses. In the Mid-State Nine Conference the team posted an impressive five wins and three losses record. Four of the five wins were a result of a mid-season winning streak that ended with an 8-0 loss to Richwoods.

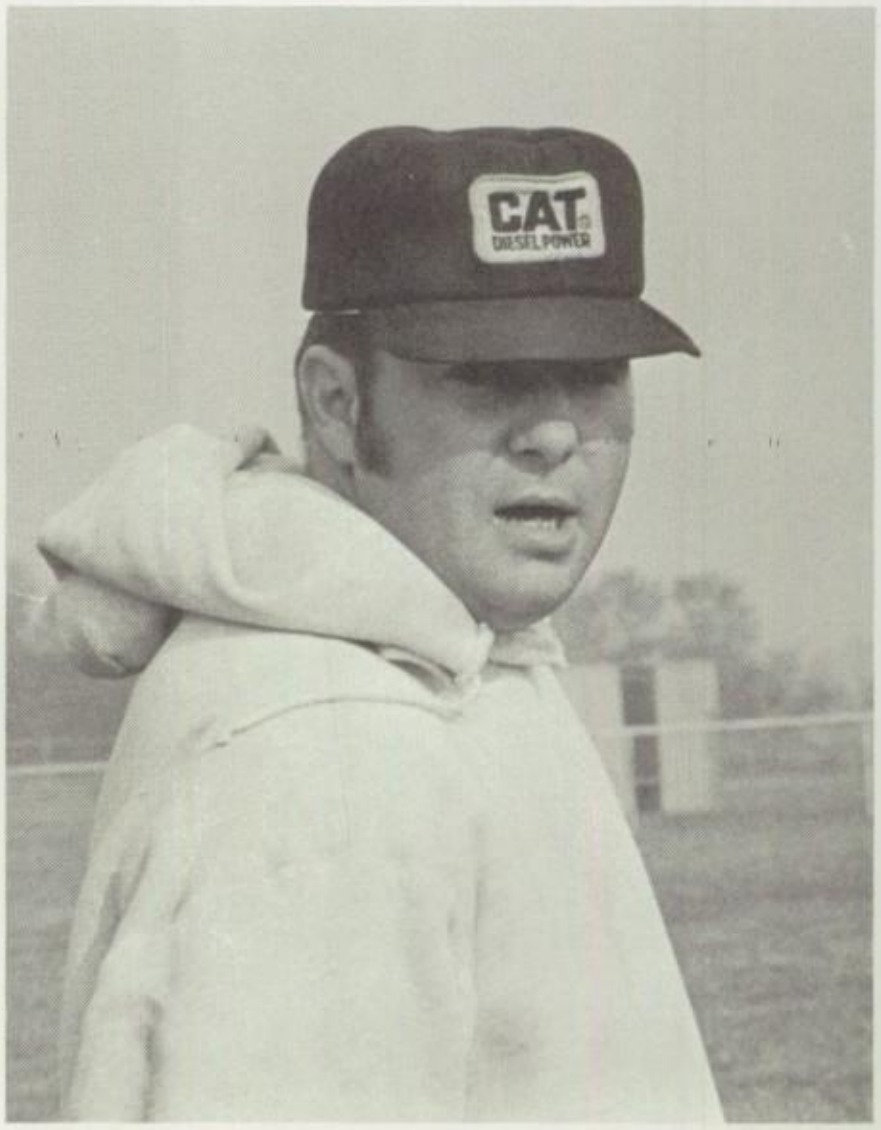
Coaches Jim Marry and Dick Wetzler were proud of the outstanding performances of the individual players as well as the team. Strong and individual effort put forth by linesmen enabled quarterback Earl Bland to complete passes to Russ Segal and Gary Hill. Elusive running by Kevin Sullivan provided many team points.

Returning as a unit, the team shall continue to improve and impress on the playing field.



Good blocking contributes heavily to Earl Bland's accurate passing.

Tenacious defense transforms an opponent's hopes into lost yardage.



Coach Wetzler firmly believes in a strong team.

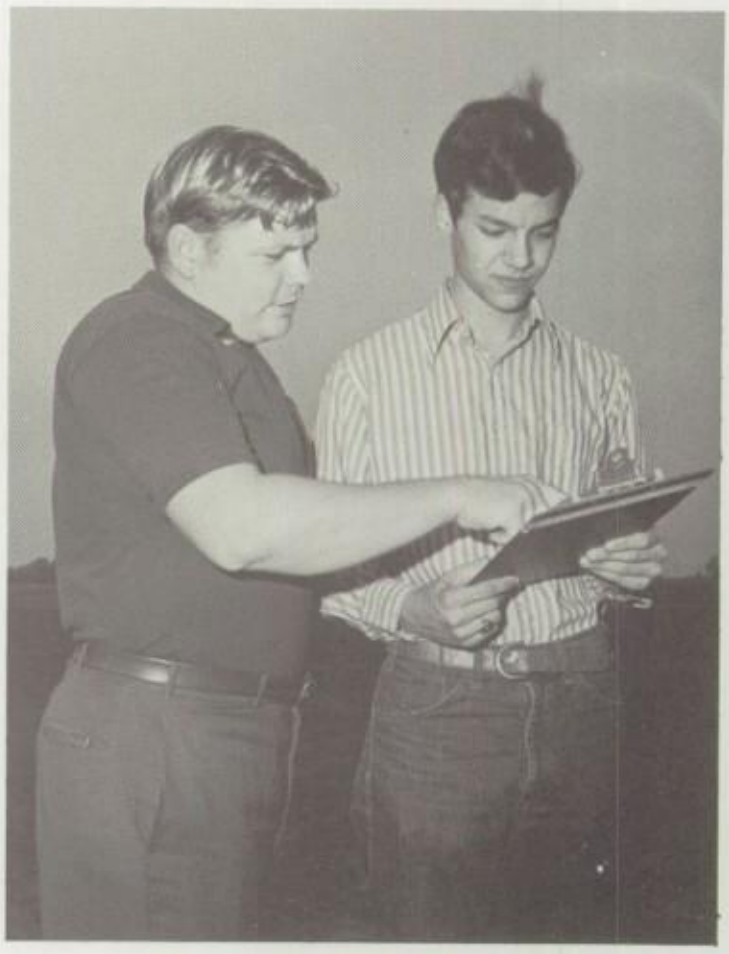
Frosh-Soph Capture Illini Title

The 1971 Cross country season was a great success for the Rockets as they had a dual meet record of eight wins and three losses.

The varsity Rockets finished third in both the Mid-State Nine Conference Meet and the Illini Conference Meet. Limestone also placed fourth in the District meet to qualify for the Sectional where the team placed ninth.

Although the Rockets as a team had a great season, Chuck Cemenska was a standout. Chuck continued to better his own record and easily won all dual meets in which he participated. Midway into the season, however, Chuck suffered a shin injury which put him out of contention. Chuck did recover in time to place in the District and Sectional meets to advance to the State.

Limestone's six returning lettermen carried the Frosh-Soph team to victory in the Illini Conference meet. With hard work and continuing improvement, next year's Rockets will be stronger than ever.



Coach Johnson and Gary Reaktenwalt intently study race results.

Amulet Staff of '72

Anxious to get the Amulet finished on time, the staff worked hard and long to meet deadlines and bring you a summary in pictures of the activities of LCHS during 1971-72.

One can sense the effort that went into the yearbook simply by glancing at it. From all the hard work and all the fun, the book finally emerges. They are glad to have given a valuable present, proud to have done a good job, and ready to dive in again next year.
